**FOR MNR USE**

**SECTION C: PLAN APPROVER CHECKLIST**

**Attachments**  Area Verification Forms for all Assessment Roll Numbers are attached. A photocopy of the associated Notice of Property Assessment is stapled to each Area Verification Form.

**Section 1**  The name(s) on the plan is/are consistent with the name(s) on the Notice(s) of Property Assessment and the MFTIP application form and the information is complete

**Section 2**  The Assessment Roll Numbers and area figures are entered and correct.

**Section 3**  The plan indicates a knowledge of why the property is important at the local and landscape level.

**Section 4**  The map shows the location of all properties being applied for and is of sufficient detail to allow for the property to be located by someone who is not familiar with it.  
 The map is complete and shows property features and Assessment Roll Numbers. Eligible and ineligible areas are identified as well as Conservation Land (CL) – if relevant.

**Section 5**  The objectives in the plan are consistent with the objectives of the MFTIP.

**Section 6**  The compartments are delineated on the map.  
 Open areas (greater than 1 ha) are drawn on the map and are designated as compartments.

**Section 7**  The compartments are distinct management areas, a description has been prepared for each one.

**Sect. 7.4**  The compartment inventories are complete, accurate and appropriate for the objectives.

**Sect. 7.6 & 8**  Management activities are appropriate and are consistent with good forestry practices.

**Sect. 9 & 10**  You have informed the landowner of the importance of completing the Report of Activities.

**SECTION D: PLAN DETAILS**
